

Technical Datasheet

1 Product Specifications

Model: KT-LOC-3M

Dimensions: Ø20mm x 1mm

Weight: 10g

2 Performance Data

Chip Manufacturer: NXP® Semiconductors

Read/Write Endurance: 100'000 Cycles

Supported Operating Systems: iOS , Android

Encryption: Symmetric Key Cryptography

3 Installation Instructions

Ensure surface is clear of any debris

Firmly press down on the tag for 10 seconds

Peel adhesive sticker off the back of the LOC Tag

Place the LOC Tag onto your Asset
